

PDF Issues and Ethics in the Helping Professions, Updated with 2014 ACA Codes (Book Only) By Gerald Corey, Marianne Schneider Corey, Cindy Corey, Patrick Callanan

Up-to-date and comprehensive, *including the ACA 2014 Code of Ethics,* this practical best-selling text provides students with the basis for discovering their own guidelines for helping within the broad limits of professional codes of ethics and divergent theoretical positions. Respected authors Gerald Corey, Marianne Corey, Cindy Corey, and Patrick Callanan raise what they consider to be central issues, present a range of diverse views on the issues, discuss their position, and provide opportunities for students to refine their thinking and actively develop their own position. ISSUES AND ETHICS IN THE HELPING PROFESSIONS, 9th Edition, explores such questions as: What role do the therapist's personal values play in the counseling relationship? What ethical responsibilities and rights do clients and therapists have? What considerations are involved in adapting counseling practice to diverse client populations? With new material in every chapter and an emphasis on critical thinking, the ninth edition is useful for students as well as practicing professionals.

Review "The textbook provides counselor trainees with a no-nonsense analysis of the relevant ethical issues they will face in their clinical work. It is written in clear and concise language and provides its readers with wonderful opportunities for self-exploration and professional development. The authors have done a great job of providing supportive research and of integrating this research into relevant practice issues. The book utilizes a strengths-based approach to addressing ethical and legal issues faced by professional counselors and highlights the importance of self-awareness, discernment, and respect for diversity when addressing these issues in the workplace." "[This book is] an effective exploration of the complexity of ethical codes and standards for counselors, with effective experiential activities, including inventories for students, related activities, and CD case profiles."

About the Author Gerald Corey is Professor Emeritus of Human Services and Counseling at California State University at Fullerton. He received his doctorate in counseling from the University of Southern California. He is a Diplomate in Counseling Psychology, American Board of Professional Psychology; a licensed psychologist; and a National Certified Counselor. He is a Fellow of the American Psychological Association (Division 17, Counseling Psychology; and Division 49, Group Psychotherapy); a Fellow of the American Counseling Association; and a Fellow of the Association for Specialists in Group Work. Both Jerry and Marianne Corey received the Lifetime Achievement Award from the American Mental Health Counselors Association in 2011, and both also received the Eminent Career Award from ASGW in 2001. Dr. Jerry Corey was given the Outstanding Professor of the Year Award from California State University at Fullerton in 1991. He regularly teaches both undergraduate and graduate courses in group counseling and ethics in counseling. He is the author or coauthor of 15 textbooks in counseling currently in print, along with more than 60 journal articles and book chapters. Marianne Schneider Corey is a licensed marriage and family therapist in California and a National Certified Counselor. She received her master's degree in marriage, family, and child counseling from Chapman College. She is a Fellow of the Association for Specialists in Group Work and received the organization's Eminent Career Award in 2001. She received the Lifetime Achievement Award from the American Mental Health Counselors Association in 2011, and is a member of that organization. She also holds memberships in the American Counseling Association, the American Group Psychotherapy Association, the Association for Specialists in Group Work, the Association for Multicultural Counseling and Development, the Association for Counselor Education and Supervision, and the Western Association of Counselor Education and Supervision. In the past 40 years, Marianne Schneider Corey and Jerry Corey have presented workshops in group counseling for mental health professionals at many universities in the United States as well as in Canada, Mexico, China, Hong Kong, Korea, Germany, Belgium, Scotland, England, and Ireland. In addition to ISSUES AND ETHICS IN THE HELPING PROFESSIONS, Dr. Corey has coauthored the following Cengage books: GROUPS: PROCESS AND PRACTICE, 10th Edition (2018, with Gerald Corey and Cindy Corey); I NEVER KNEW I HAD A CHOICE, 11th Edition (2018, with Gerald Corey and Michelle Muratori); BECOMING A HELPER, 7th Edition (2016, with Gerald Corey); and GROUP TECHNIQUES, 4th Edition (2015, with Gerald Corey, Patrick Callanan, and Michael Russell). Cindy Corey is a California licensed clinical psychologist with a private practice in San Diego, California. She worked for over a decade as a full-time Visiting Professor in the Department of Counseling and School Psychology at San Diego State University, in both the Community Based Block and Marriage and Family Therapy programs. She received her master's degree in Marriage and Family Therapy from the University of San Diego and her Doctorate (PsyD) in Multicultural Community Clinical Psychology at the California School of Professional Psychology in Alhambra, California. Dr. Corey has focused much of her work in the area of counselor education, specializing in multicultural training, social justice, and community outreach. In addition to teaching at San Diego State

University, she taught part time in the PsyD program at Alliant International University in Alhambra. She has also worked as a contracted clinician for Survivors of Torture International, focusing primarily on helping Sudanese refugee youths to adjust to life in the United States, gain employment, and attend colleges and universities. Dr. Corey works as a multicultural consultant and has created clinical intervention programs, training manuals, and diversity sensitive curriculum for a variety of schools, businesses, and organizations in the San Diego area. Her private practice focuses mainly on working with women, couples, counselors, and graduate students in counseling programs. Patrick Callanan is a licensed marriage and family therapist in private practice in Santa Ana, California, and a National Certified Counselor. In his private practice he works with individuals, couples, and families. Patrick is on the part-time faculty of the Human Services Program at California State University at Fullerton, where he regularly teaches the internship course. He also offers his time each year to the university to assist in training and supervising group leaders, and co-teaches an undergraduate course in ethical and professional issues.

Customer Reviews Most helpful customer reviews 2 of 2 people found the following review helpful. Great introduction and overview of key concepts in ethically driven ... By Amazon Customer Great introduction and overview of key concepts in ethically driven practice. Nice examples of situations that invite conversation and critical thinking. I must say though, I could make my money back if they're looking for a new editor- typos galore on almost every page! This does not negate the quality of content, just had to get it out there... 1 of 1 people found the following review helpful. this book is highly recommended to anyone needing to study ethics for the therapist By Robert Alexander Irvine This is a textbook and though it is, this book is highly recommended to anyone needing to study ethics for the therapist....very detailed and layed out beautifully 0 of 0 people found the following review helpful. Issues and Ethics Textbook By Lil Bit Textbook for a class but it does the job. A lot of information. See all 55 customer reviews...
