

# Pdf Mythology: Timeless Tales of Gods and Heroes By Edith Hamilton

**GET ACCESS NOW!**

The world-renowned classic that has enthralled and delighted millions of readers with its timeless tales of gods and heroes. Edith Hamilton's mythology succeeds like no other book in bringing to life for the modern reader the Greek, Roman and Norse myths that are the keystone of Western culture--the stories of gods and heroes that have inspired human creativity from antiquity to the present. We follow the drama of the Trojan War and the wanderings of Odysseus. We hear the tales of Jason and the Golden Fleece, Cupid and Psyche, and mighty King Midas. We discover the origins of the names of the constellations. And we recognize reference points for countless works for art, literature and culture inquiry--from Freud's Oedipus complex to Wagner's Ring Cycle of operas to Eugene O'Neill's Mourning Becomes Electra Both a reference text for scholars of all ages and a book to simply enjoy, Mythology is a classic not to be missed.

Amazon.com Review Edith Hamilton loved the ancient Western myths with a passion--and this classic compendium is her tribute. "The tales of Greek mythology do not throw any clear light upon what early mankind was like," Hamilton explains in her introduction. "They do throw an abundance of light upon what early Greeks were like--a matter, it would seem, of more importance to us, who are their descendents intellectually, artistically, and politically. Nothing we learn about them is alien to ourselves." Fans of Greek mythology will find all the great stories and characters here--Perseus, Hercules, and Odysseus--each discussed in generous detail by the voice of an impressively

knowledgeable and engaging (with occasional lapses) narrator. This is also an excellent primer for middle- and high-school students who are studying ancient Greek and Roman culture and literature. --Gail Hudson Review "Ms. Hamilton arranged her rich material with the idea of achieving the maximum sense and readability...(and) making her subject attractive for the reader of today."-- NEW YORK TIMES BOOK REVIEW From the Back Cover MONSTERS, MORTALS, GODS, AND WARRIORS For over fifty years readers have chosen this book above all others to discover the thrilling, enchanting, and fascinating world of Western mythology. From Odysseus's adventure-filled journey to the Norse god Odin's effort to postpone the final day of doom, Edith Hamilton's classic collection not only retells these stories with brilliant clarity but shows us how the ancients saw their own place in the world and how their themes echo in our consciousness today. An essential part of every home library, MYTHOLOGY is the definitive volume for anyone who wants to know the key dramas, the primary characters, the triumphs, failures, fears, and hopes first narrated thousands of years ago -- and still spellbinding to this day.

Read it in High School. LOVED IT! My husband did too, but lost his well-worn copy along the way, so I got him a NEW one for his birthday! GREAT SURPRISE and DELIGHT ENSUED! HURRAH! GREAT JOY at getting back in touch with an old friend. :) 0 of 0 people found the following review helpful. A Valuable Resource By A. Walrus I have just finished reading this book again for the first time in nearly fifty years and was delighted to find that it has lost none of its ability to excite and fascinate after all this time. I especially enjoyed Hamilton's sharp critiques of the Greek, Roman and Norse authors who provided her source material as well as her skillful ability to merge details from several different versions of most of the legends into seamless, compelling stories. Scholarly and yet accessible to the general reader, this book is absolutely essential reading for anyone who is interested in understanding the roots of Western civilization. 1 of 1 people found the following review helpful. A Classic of Mythology Research By Kindle Customer I first read this amazing collection as a high school student interested in Greek and Roman mythology. Now, as a teacher of English at the high school level myself, I have re-read and recommended this book to a great many students. For someone wanting to delve deeper into Norse, Greek, and Roman mythology, but not yet ready for the commitment that Bullfinch might take. I keep several copies on my shelf, and now have it on Kindle as well. See all 553 customer reviews...
